Letter No. 2340 d. 20-10-1945 from the Chief Engineer re date of promotion of Mr. N. Gunda Rao as Dy. Asstt. Engineer.

1) Mr. N. Gunda Rao was promoted as Dy Asstt Engineer in Notification dated 15-7-4 Prior to this promotion he was posted to the charge of Junior Tank Restoration Range on 31-3-1943 at Thirthalli. The Chief Engineer recommends that Mr. N. Gunda Rao's appointment as Asstt Engineer may be given effect to from 31-3-1943 instead of from 15-7-1943.

2. The promotion of Mr. N. Gunda Rao and three of his colleagues as Asstt Engrs was sanctioned by this Business on 10-7-43 It cannot be given effect to retrospectively in this Solibetta case without specific sanction again besides it may, if granted, become an inconvenient precedent inasmuch as a number of Senior Graduate Surveyors are now posted for charge of Subdivisions and they will on being promoted as Asstt Engineers in their turn, prefer claims for similar treatment.

Draft 3) When did the Vacancy against which 20/11/45 he was promoted occur?

22/11

4) The G.O. consulted regarding the Thirthalli

Range was issued on 27.2.1943. As the Range Officer joined duty on 31.3.43, the post has to be considered to have come into being on 31.3.43 only and not earlier. The date of vacancy is 31.3.43.

5) may be given effect to from the date of G.O. promoting him, as in the case of others

Secy) 23/11

6) The promotion of Mr. N. Gundurao as A.E. was sanctioned by G.O. dated 15/2/43; while he was posted to the Hunsur Range on 31/3/43. C.E.I. proposes that Mr. Gundurao should be promoted as A.E. from the date of his posting viz. 31/3/43, as the post is that of an A.E. Retrospective effect cannot be given to the G.O. by making Mr. Gundurao an A.E. prior to the date of the G.O. viz. 15/2/43. Besides, this will create an inconvenient precedent for several others like him. The proposal is not permissible as per rules and may be negatived. (A)

If there is no rule which permits retrospective effect being given, why does the C.E.I. recommend such a case? The officer seems to have done very good work in the special Range. If the rules permit I am inclined to grant his request. Anyway — please find out from the C.E.I. if there is any such precedent. I do not want to create this as an inconvenient precedent

Kind reference is invited to Government Notification No. P.W.6405-12 dated 21-5-45 promoting 27 Senior Surveyors as Acting Assistant Engineers. These promotions count against the various temporary Ranges and Sub Divisions sanctioned by Government. The tenure of these officers is later on changed into " Temporary," from the date of promotion as Acting Assistant Engineers against the temporary vacancies of the Assistant - - Engineers of the Ranges and Sub Divisions. In fact Mr. N. Gundu Rao was promoted as Offg. Assistant - - Engineer in G.O. No. P.W. 569-72 dated 10-7-43 and as he was already holding the charges, the promotion was given effect to from the date of the order. Later in G.O. No. P.W. 5757-59 dated 10-4-45, he was made "temporary" with effect from the same date viz 10-7-43. Thus he got a pay of Rs 200/- p.m. as Temporary - - Assistant Engineer with effect from 10-7-43 as against a pay of Rs 175/- already drawn with effect from 10-7-43 Out of these 27 senior Surveyors promoted last year, 16 were ordered by the Chief Engineer in his office No.7504-17/E dated 24-5-45 to continue in charge of the Sub Divisions they were already holding, while the remaining officers were treated as Assistant Engineers from subsequent dates i.e. the dates on which they actually took charge of Sub Divisions. Several of these were in charge of the Sub Divisions already for several months and if the request of Mr. N. Gundu Rao is granted, all these 16 officers and others who were promoted previously in the same way will demand the same treatment. And if they are promoted, complications and supercessions are sure to arise on account of a junior officer holding charge of a Sub Division from a much earlier date than his seniors.

It is only in appreciation of their good work that these Acting Assistant Engineers are made tempora

from the date of their promotion to the 3rd rank and this has enabled them to draw a pay of Rs 200/- as against a pay of Rs 175/- previously drawn and count their service from the date of promotion for increment in the grade of Assistant Engineers.

Sir,

Re:- Mr.N.Gundu Rao, Assistant Engineer.

I have the honour to state that Mr.N.Gundu Rao, assumed charge of the Minor Tank Restoration Range at Thirthahalli on 31-3-1943. He was promoted as Officiating Assistant Engineer as per G.O.No.P.W.569-72 dated 15-7-1943.

2. The Superintending Engineer, Shimoga Circle, in his letter No.5828-9 dated 10-9-1943 recommended that Mr.N.Gundu Rao. may be treated as Officiating Assistant Engineer with effect from 31-3-1943 the date of assuming charge of the Minor Tank Restoration Range at Thirthahally.

3. The Comptroller who was requested to allow the benefit of promotion with effect from 31-3-1943, intimated in his Memo No.545/G.A.I dated 4-12-1943 that orders of Government are necessary to allow the benefit of promotion with effect from 31-3-1943.

4. Accordingly an allocation statement was prepared and forwarded to the Comptroller in this office No.2087 dated 30-10-1944 for verification, showing a temporary tenure, to Mr.N.Gundu Rao, from 31-3-1943 against the post of Assistant Engineer, Minor Tank Range, Thirthahalli.

5. The allocation statement was received duly verified with Comptroller's memo No.535/G.A.D dated 11-1-1945 and no change was made in the date in respect of Mr.N.Gundu Rao.

C.O.,

6. The verified allocation statement was then submitted to Government in this office letter No.5692 dated 10-3-1945 for orders but in notification No.P.W.5757-59 dated 10-4-1945, Mr.N.Gundu Rao is shown as temporary Assistant Engineer from 10-7-1943 against the post of Assistant Engineer, Minor Tank Restoration Range, Thirthahalli instead of 31-3-1943, the date on which the Minor Tank Restoration Range at Thirthahalli was formed.

7. In view of the circumstances explained above, I request that Government may kindly be moved to sanction the appointment of Mr.N. Gundu Rao as temporary Assistant Engineer with effect from 31-3-1943 which is the date duly verified by the Comptroller in his Memo No.535/G.A.D dated 11-1-1945.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Engineer for Irrigation.

Sir,

Re:- Mr.N.Gundu Rao, Assistant Engineer.

With reference to your letter No.P.W.4448/Est. 5-45-10 dated 20-12-1945, I have the honour to forward herewith, for sympathetic reconsideration of Government a copy of the further representation received from the Assistant Engineer.

2. The Superintending Engineer, Shimoga Circle, has reported that Mr.N.Gundu Rao was the senior-most Sub Engineer among those that were promoted by Government in their Notification No.P.W.569-72 dated 15-7-1943; as such the benefit of giving him the promotion from 31-3-1943 instead of 10-7-1943 be granted.

3. The Range having been constituted afresh, it entailed heavy responsibility and considerable pains on the part of Mr.N.Gundu Rao toestablish the new office and carry on the onerous duties of getting up the tank projects, lying in the heart of Malnad. The Range has done good work so far compared with the several other Ranges.

4. Further, the vacancy of Assistant Engineer having been in existence from the date Mr.N.Gundu Rao took charge of the Range viz., 31-3-1943, the prayer of the officer, if granted does not affect the interests of his seniors.

5. In the above circumstances, I recommend for sympathetic reconsideration of the case of Mr.N.Gundu Rao, Range Officer, Tirthahalli Minor Tank Restoration Range.

I have the honour to be,
Sir,
Your most obedient servant,

CHIEF ENGINEER FOR IRRIGATION.

GCS/5th.

Representation No.472 dated 8-3-1946 from r.N.Gundu Rao, Range Officer, Tirthahalli, to the Secretary to Government, Public Works Department, Bangalore, through the Superintending Engineer, Shimoga Circle.

Re:- Date of promotion of Mr.N.Gundu Rao, B.E., as Assistant Engineer to have effect from 31-3-1943 date of taking over charge of Minor Tank Restoration Range, Tirthahalli.

With reference to your No.8167 dated 12-1-1946 forwarding letter No.P.W.4448/Est. 5-45-10 dated 20-12-1945 from the Secretary to Government, Public Works Department to the Chief Engineer for - Irrigation in Mysore for my information regarding the above, I have the honour to submit the following appeal for kind consideration of Government and favourable orders thereon.

On 31-3-1943, I took charge of the Minor Tank Restoration Range Tirthahalli and the Chief Engineer of Mysore in his letter No.5828-9 dated 10-9-1943 to the Superintending Engineer, Shimoga Circle has approved of the reckoning of the date of promotion from the date of my assuming charge of the Range.

But the date of promotion has been given effect to only from 10-7-1943 reckoning the date from the date of order under G.O.No.P.W. 569-72 dated 10-7-1943; thus the benefit of promotion gets defered by three months and eleven days and so also all subsequent increments.

Although I have held charge and discharged the duties satisfactorily, as Range Officer, Minor Tank Restoration Range, I have not been given the benefit of promotion and emoluments I am due in the routine course.

This is a severe heart burn and gives occasion for me to represent a team of other similar sufferings undergone by me for no fault of mine.

By way of direct recruitment promotion of juniors as consideration of community by giving lien to officers working elsewhere and who close for bettering their prospects, as such as 29 places have been lost with the result that after a period of 16 years, I have entered the threshhold of a Gazetted rank.

P.T.O

I beg to appeal to the Secretary to Government, Public Works Department for a sympathetic reconsideration of my case and grant me the benefit of promotion to the Assistant - Engineer's rank from 31-3-1943 from which date I hold charge of this Range.
